COLLECTION

FALL • WINTER

2017

**AS AUTUMN FALLS UPON US,**  
we are pleased to present to you the  
**Bourdeau-Griffin** Fall/Winter 2017 **BOURDEAU**  
**LUX** collection.

In reflection of the trends that inspired our Spring/Summer designs, we have a renewed vision of what lies ahead for the remainder of the year.

For the Fall/Winter season, our travels throughout Italy, India and Indonesia have inspired us to design and source products which capture the essence of craftsmanship, natural materials, and varying shapes and finishes. We have embraced brushed metals, high-quality marbles, live-edge woods, rich tones and luscious upholstery that will breathe new life and seasonal changes into every residential and commercial space.

Inspired by artisan creativity in Indonesia, our newest collection, **BOURDEAU LUX** was also born. Featuring pieces crafted from teak wood and marble with black and antique brass steel, these one-of-a-kind designs are truly unique, offering a curated selection perfect for any contemporary space.

As you browse through our latest designs, we hope that our **BOURDEAU LUX** inspires creativity and versatility to ultimately design livable spaces of true distinction.
