DESIGN CHANGES LIFE

It is better to customize a life than to customize a product. For a shower to be truly comfortable, customization is more than just a matter of size; it is a matter of functional design and spatial science. Combined with a solid study of product systems and a deep understanding of user habits. BOURDEAU BATHTUB always provides you with a more complete shower solution.

UNIQUE TECHNOLOGY PATENTED DESIGNS

Patented acrylic
bathtub in matte finish

Patent matte acrylic bathtub
design texture, comparable to
marble bathtub.

Human mechanics
design

Applies the principle of
nergonomics, which fit the human
body curve, and make it
comfortable to lie on the back,
matched with high quality acrylic
plate, heat insulation a soft touch,
we can create a more comfortable
bath experience.

Patented & exclusive
jointing technology

New patented jointing technology :
No Painting for jointing, Only our
specialized jointing material, then
comes sanding and polishing.
The joint line is seamless, smooth.
No cracks, no peeling off, no color
changing after years of use.

Bathtub body
reinforcement

High quality resin with fiber
reinforcement is adopted to have
strong adhesion, So that there will
be no de-lamination, abscission and
etc, Making the bathtub virtually
impossible to be bent and deformed.
